

## PPA6150 ASSESSMENT STRUCTURE – SEMESTER 1, 2025

University Supervisors (US) are responsible for monitoring the progress of Pre-service Teachers (PsT), determining the final grade for the Professional Experience and completing the *Final Evaluation Form*.

Mentor Teachers (MT) have a pivotal role in supporting and guiding their Pre-service Teachers and retain responsibility for providing consistent feedback to the Pre-service Teachers and US throughout the Professional Experience.

University Supervisors and Mentor Teachers, together with School Practice Coordinators will collaborate to ensure that input from all stakeholders is valued and considered in the decision-making process.

Pre-service Teachers will be evaluated against the National Professional Standards for Teachers in the areas of Professional Knowledge, Professional Practice and Professional Engagement. Monitoring tools are provided to support Mentor Teachers in ensuring that criteria for assessment are clearly addressed throughout the Professional Experience.
