

# Trauma and Learning: Meeting Complex Support Needs for Educators

## AN ONLINE SHORT COURSE FOR EDUCATORS

### OVERVIEW

Early childhood learning environments and school environments can be a struggle for the child or young person living with trauma. Struggling to think, pay attention, remember, play with others, trust and form friendships with peers and adults, every day can be exhausting and overwhelming for these children who often struggle to cope.

In this short course you will explore trauma-responsive pedagogy to promote positive interactions and assist children and young people affected by trauma to achieve better learning outcomes. Teaching troubled children and young people is difficult and can take its toll therefore attention to educator wellbeing and self-care is introduced.
