Transports|2024

Transports showcases the creative works of **Eduardo COSSIO**

In his debut photography exhibition, Eduardo Cossio unveils a series of images capturing the fluidity of perception. Playing with perspectives, the photographs prompt viewers to renegotiate their perception of the world. Echoing his experimental music practice, the photographs, quiet and contemplative, invite a *free-fall* into the viewer's imagination.

Officially opened by Dr **Jon TARRY** at 5:45pm

Spectrum Project Space
