

Understanding Childhood Trauma: An Introduction for Educators

AN ONLINE SHORT COURSE FOR EDUCATORS

OVERVIEW

Trauma-affected children can be found in any classroom and any school. In fact, one in four children experience a traumatic event before they turn three years old*. Trauma impacts development, behaviour and learning.

This short course is an ideal introduction to childhood trauma for all educators including parents, carers, and youth workers. Providing effective support for children and young people affected by trauma begins with educators who are trauma-informed. By building your understanding and knowledge you have a better chance of making a positive difference.
