

Image: Cassandra Tytler, *It will not be pure*, 2024, Video still.

Soiled|2024

Soiled showcases the creative works of **Cassandra TYTLER**

Soiled is a series of installation and video works that research the interrelationships between humans, soil, and dirt. It examines how a politics of purity reinforces hierarchies of race, gender, and society.

With support from [Centre for People, Place & Planet](#), School of Education and WAAPA.

Officially opened by Dr **Renée NEWMAN** at 6:15pm
