

Exercise and Health Science Study Tour Sri Lanka

Apply for an exciting two-week study tour to Sri Lanka!

All undergraduate students from the School of Medical and Health Sciences are invited to apply for an exciting two-week study tour to Sri Lanka.

During this tour you will have the opportunity to attend academic and cultural talks alongside students from the University of Sri Jayawardenepura. This will be an unforgettable experience that will enrich your cultural knowledge and skills, offer you a chance to apply your medical and health science knowledge in a real-world setting, and provide credit towards your degree.

Students may get 15 credit points through unit HST3505 International Study Project, but must have completed 180 credit points in order to be eligible.

This project is supported by the Australian Government's New Colombo Plan. To be eligible, you must be an Australian citizen and enrolled in an undergraduate course. There are 9 places available and students will receive \$3,000 to assist with program costs.
