Practicum

Students are required to complete a number of clinical practice units as part of the course. These are delivered in association with a range of clinical partners as full-time clinical placements.

To be eligible to undertake clinical practice and fulfil their duty of care, students are required to complete risk management protocols on commencement of the course and carry out amendments in subsequent semesters, as appropriate. Risk management protocols include, but are not restricted to:

Certificate of National Police Clearance

Department of Health (WA) Criminal Screening

Current Cardio Pulmonary Resuscitation (CPR) initial certification required plus annual renewal of certification, courses available via ECU provider

Current Manual Handling Certification initial certification required plus annual renewal of certification, courses available via ECU provider

Evidence of immunisation status as per the Department of Health schedule, more info at www.health.wa.gov.au/circularsnew/circular.cfm?Circ_ID=12275

MRSA clearance if worked in, or been admitted to, a health facility outside of Western Australia in the 12 months prior to enrolment;

Working with Children Check, more information at www.checkwwc.wa.gov.au

Due to the practical nature of the nursing and midwifery professions, there are inherent performance requirements applicable to this course that may impact upon the success of some potential students. Applicants and students with a disability or other issue likely to impact on their ability to perform in practice are encouraged to contact the Director, Undergraduate Studies to discuss the support and inherent requirements of this course.

Enrolment information

Once you have read the course information and know what units you wish to enrol in, you can enrol online via our [Student Information Management Online](#) (SIMO).

If you are having problems enrolling online we provide assisted enrolment in Student Central on any campus. Alternately you can call our ECU Contact Centre on 134 328.

Students can also view the [handbook](#) for further course and unit information or can contact the [Course Information Hub](#).

Advanced standing

You may be eligible for advanced standing for:

- Previous tertiary study
- TAFE qualifications (Diploma level or higher) and enrolled nurse registration (undergraduate applicants only), or
- Equivalent experience and/or qualifications

Please note, Advanced Standing will not be granted for High/Secondary School results or for Undergraduate units into Post Graduate courses.

For further information regarding Advanced Standing, please refer to [Ask Us](#).

Course Planner

For more detailed information on your course of study please refer to the [course planner](#).
